

Tell Us Your Story | Nuclear Medicine Week 2009

ENTRY FORM |

Name	<input type="text"/>
Phone Number	<input type="text"/>
Email Address	<input type="text"/>

Tell us your own life story including your journey with cancer, how PET imaging is being used in your care and your hopes for the future.

Yes, I agree to the terms and conditions

By checking this box, you agree that all rights to publish or use your story will be relinquished to the staff of IBA Molecular and that by sending your story you give us your permission to publish it on our website or use it in any manner that we deem appropriate including publishing it in any publication of IBA Molecular or by any party affiliated with the IBA Molecular. By relinquishing your rights to the story, you also relinquish any claim to reimbursement or fees associated with your story, should we decide to publish these stories now or at any time in the future. By submitting your stories you agree to these conditions.
